

8" x 8" Bricks

Weddings | Anniversaries | Graduations | Birthdays | Retirement | Pets | Other Memorials

Give a special gift and preserve a special memory with a Milestone Brick, or honor someone you love and commemorate the milestones of life. The Symphony Walkway is bordered by flowers and ferns along the Symphony Garden reflecting pool, and is shaded by a canopy of Douglas Firs. The site is the scene of many weddings, concerts and other happy events throughout the year. A Milestone Brick is a lasting tribute in a beautiful setting to those you honor and cherish.

The funds raised by the purchase of Milestones Bricks help maintain and restore Friendship Botanic Gardens.
